

Proudly family-owned and operated in Houston, Texas • USA

GATE VALVES

- Industry Spec: API 591/598/602/624 & ASME B16.34
- Size Range: 1/4" - 3"
- Pressure Class: 150 - 2500
- Port: Conventional or Full
- Construction: Bolted or Welded Bonnet
- End Connection: Threaded, Socketweld, Flanged, Buttweld

GLOBE VALVES

- Industry Spec: API 591/598/602/624 & ASME B16.34
- Size Range: 1/2" - 2"
- Pressure Class: 150 - 2500
- Port: Conventional
- Construction: Bolted or Welded Bonnet
- End Connection: Threaded, Socketweld, Flanged, Buttweld

CHECK VALVES (Ball, Piston, Swing)

- Industry Spec: API 598/602 & ASME B16.34
- Size Range: 1/2" - 2"
- Pressure Class: 150 - 1500
- Port: Conventional
- Construction: Bolted or Welded Bonnet
- End Connection: Threaded, Socketweld, Flanged, Buttweld

BELLOWS SEAL VALVES (Gate, Globe)

- Industry Spec: API 598/602/624 & ASME B16.34
- Size Range: 1/2" - 2"
- Pressure Class: 150 - 800, 1500
- Port: Conventional
- Construction: Bolted or Welded Bonnet
- End Connection: Threaded, Socketweld, Flanged

Y-PATTERN VALVES

- Industry Spec: API 598 & ASME B16.34
- Size Range: 1/4" - 2"
- Pressure Class: 800/1500/1690/2690/4500
- Port: Full
- Construction: Bolted Bonnet or Welded Bonnet, Bonnetless
- End Connection: Threaded, Socketweld, Flanged

CRYOGENIC VALVES

- Industry Spec: API 598/602 & ASME B16.34
- Size Range: 1/2" - 2"
- Pressure Class: 150 - 1500
- Port: Conventional or Full
- Construction: Bolted or Welded Bonnet
- End Connection: Threaded, Socketweld, Flanged, Buttweld

IN-HOUSE SERVICES

- RT/Radiographic Testing
- Liquid Dye Penetrant Testing
- Magnetic Particle Examinations
- Other NDE including ferrite, hardness & PMI available

SELECT MATERIALS AVAILABLE AT SMITH VALVES

Carbon and Low Temp Carbon Steel

- A105 & LF2

Chrome Moly

- F11, F22, F5, F9 & F91

Austenitic and Super Austenitic Steel

300 Series Stainless

- 304/304L, 304H, 316/316L, 316H, 317/317L, 321/321H & 347/347H

Alloy Steel

- Alloy 20

Duplex and Super Duplex Steel

- F51, F53, F60

Nickel Alloy Steel

- Inconel 625
- Incoloy 825
- Hastelloy C276
- Monel 400
